All About the Auction

January 28th, 2017 at 6:30 pm

(Snow date: February 8th, 2017)

The Unitarian Society of Ridgewood

113 Cottage Place, Ridgewood, New Jersey

The Society Auction is a fundraiser that has been an important part of the community spirit, social life and fiscal health of the Unitarian Society of Ridgewood since the 1960s. This year's Society Auction (our 49th) is supported by donations from well over 75 members and friends of the USR. Thank you all!

Donations of food, wine, dinners, hikes, concert tickets, vacation homes, and much, much more are all listed in this catalog. Items are auctioned to the highest bidder. Winners can take home their treasures and/or mark their calendar to attend or collect the services/ events that they've won throughout the year.

How does the "NEW" Society Auction work?

The Society Auction has six main parts:

50/50 Raffle – Buy 50/50 raffle tickets the night of the auction. Split the pot with the USR!

Wine Pull – This year we are introducing our Wine Pull! We will have bottles of wine wrapped so that the label cannot be seen. They will be numbered and each person who buys a ticket for the wine pull gets to select a bottle. The bottles will range in value. The same concept will apply to our Coffee/Chocolate Pull

Coffee / Chocolate Pull – We will have Coffee and Chocolate wrapped and numbered. Each person who buys a ticket for the Coffee/Chocolate Pull gets to select a package of coffee or chocolate of different values.

Live Auction – At 7:30 find a seat in Anderson and enjoy the evening while our always-entertaining auctioneers present the live auction items. Use your paddle to bid on the items you most desire.

Door Prize – Everyone who purchases a ticket to the Society Auction will participate, as your Auction Paddle Number will hopefully be the winning Door Prize number.

Party! – Whether you're bidding a lot or a little, the Society Auction is a fun party. Great food; a festive atmosphere, and great company make this one of the USR's biggest social events and USR's single largest fundraiser of the year.

Do I need to make a reservation?

YES! Please make your reservation ASAP with Robin Ritter [robinritteruu@gmail.com or 973-310-3525 (e-mail preferred)]. The cost is \$25 and includes hearty appetizers, open bar, coffee and dessert. Please let Robin know how many spots you are reserving and if you will be using childcare. You will get a bidding number and when you arrive at the Society Auction you'll get a paddle with your bidding number on it to use during the Live Auction.

What if I can't come? Can I still bid?

Most certainly! If you can't make it to the Society Auction, just fill out the absentee bidding form at the end of this catalog (follow directions on the form) and we'll do your bidding for you! We'll let you know what you've won after the auction.

Is there child care?

Of course! Children will be cared for in the RE space where they will have snacks, movies and fun. Feel free to bring blankets or sleeping bags so your little ones can really get cozy. When you make your reservation, inform the reservation volunteer how many children you will be bringing. Childcare is free.

Is it too late to help?

Never! We still need raffle ticket salespeople, clean-up crew members, food helpers and more. Contact LuAnn (luannmarkowitz1@gmail.com) or Dawn (dawnwallers@gmail.com) right away.

Auction Tips and Tricks

- **Plan ahead** – before the night of the auction arrange with a group of your UU friends to bid as a block on vacation homes, classes, dinners, etc.
- **Make your reservations early** – space is limited! Information on how to reserve your spot is on the previous page.
- **Claim your stuff and pay before you leave** – This year, bring your checkbooks or credit card, as you will be paying for your auction winnings before you go home with your auction winnings. For dinners, outings, concerts, etc. the SELLER will send out a reminder to buyers a week or two before the event. For other, one-on-one services the BUYER must contact the seller to make arrangements to collect the item won. All services must be collected before next year's auction unless otherwise arranged with the seller.
